Kentucky District Event

# Adult Screening Form

In recent years, churches have been sued because of child abuse or molestation occurring in church youth or children's programs. In most of these cases, the plaintiffs allege one or both of the following:

- 1. The church was negligent in hiring the molester to work with minors (i.e. the church hired and/or used volunteers without any screening or evaluation).**
- 2. The church was negligent in supervising the individual.**

Completion and submission of this screening form meets one of the requirements that show the Kentucky District Royal Rangers is screening adult leaders who will be attending this event. It will be used to help provide a safe and secure environment for those boys who participate in our program and use Kentucky District facilities.

This form is to be completed and **turned in upon arrival at Registration** by all adults eighteen (18) years old or older, for any position involved in the supervision of boys at the Kentucky District Event.
