Description

Frontiersmen Camping Fellowship (FCF) is a special program of Royal Rangers that provides men and boys with additional opportunities to develop specialized outdoor skills based on the lore and traditions of the early American frontiersmen. FCF members participate in special events where frontier skills are demonstrated and practiced. Competitions are commonly held that promote the development of these skills and reflect the excitement, color, and flair of frontier America.

Members of Frontiersmen Camping Fellowship are challenged to demonstrate the attributes exemplified by the early frontiersmen as they seek to further the objectives of the Royal Rangers ministry.
